- Cheese Knife
- Vegetable Knife

METHOD

- 1 Place the cucumber, green pepper and white onion in a village salad bowl.
- 2 Arrange the tomato wedges around the bowl.
- 3 Arrange the olives around the bowl.
- 4 Add the crumbed feta cheese.
- 5 Drizzle OB Salad dressing over the salad.

NOTES

- Ensure the right amount of feta

Food safety

From the SOP - what the kitchen must not skip on this dish.

SALAD DO NOTS

SOP 9 - Food Book

Don't use tomatoes that are unripe, a ripe tomato is red , has a fresh smell and is juicy when cut open. Don't use over ripe tomatoes that are soft. Don't use old vegetables to build the salad with. Don't use sour cheese, checking your mise en place in the morning will eliminate any compromised ingredients.
