Frozen Mango Daiquiri

Blended frozen mango daiquiri with a chilli-lemon salt rim.

Carafe: 1L carafe. Single serve: tumbler / water glass. Serve with a straw.

INGREDIENTS

SINGLE SERVING

- 125ml Mango Daiquiri mix
- 160-180g Ice

CARAFE (1L)

- 3 x 125ml Mango Daiquiri mix
- 480-500g Ice

METHOD

1. Decant the Mango Daiquiri into the blender.
2. Add the ice. (Pour off any excess water before adding the ice to the blender.)
3. Blend until the liquid becomes a slushy texture.
4. Garnish the side of the glass by gently rubbing a slice of lemon along the rim of the glass, then dip rim into the chilli lemon salt.
5. Decant into a water tumbler or carafe.
6. Garnish with a lemon slice and chilli lemon salt rim.

GARNISH

- 1 Lemon slice
- Chilli lemon salt rim

EQUIPMENT

- Ice scoop
- Half straw
- Blender

TIPS

- Always weigh the ice!
- When starting your shift, prepare a few half straws, so they are ready for service.
- When serving a 1L carafe, garnish the glasses that are presented with the carafe.
