Frozen Passion Mango Cooler

Blended frozen passion mango cooler with mint.

Carafe: 1L carafe. Single serve: tumbler / water glass. Serve with a straw.

INGREDIENTS

SINGLE SERVING

- 125ml Passion Mango Cooler mix
- 4 Mint leaves
- 160-180g Ice

CARAFE (1L)

- 3 x 125ml Passion Mango Cooler mix
- 8 Mint leaves
- 480-500g Ice

METHOD

1. Decant the Passion Mango Cooler into the blender.
2. Add the ice. (Pour off any excess water before adding the ice to the blender.)
3. Add the mint leaves.
4. Blend until liquid becomes a slushy texture.
5. Decant into a water tumbler or carafe.
6. Garnish with a lemon slice and a sprig of mint.

GARNISH

- 1 Lemon slice
- 1 Mint sprig

EQUIPMENT

- Ice scoop
- Half straw
- Blender

TIPS

- Always weigh the ice!
- When starting your shift, prepare a few half straws, so they are ready for service.
- When serving a 1L carafe, garnish the glasses that are presented with the carafe.
