

Frozen Strawberry Daiquiri

A blended frozen strawberry daiquiri garnished with fresh strawberry and mint, served single or as a 1L carafe.

Carafe: 1L Carafe / Single serve: Tumbler or Water glass

INGREDIENTS

- Single serving:
- 125ml Strawberry Daiquiri (1 serving)
- 160g - 180g Ice
- Carafe:
- 3 X 125ml Strawberry Daiquiri (3 servings)
- 480g - 500g Ice

METHOD

- 1 Decant the Strawberry Daiquiri into the blender.
- 2 Add the ice. (Pour off any excess water before adding the ice to the blender.)
- 3 Blend until the liquid becomes a slushy texture.
- 4 Decant into a Water tumbler or carafe.
- 5 Garnish with a fresh strawberry and a sprig of mint.

GARNISH

- Fresh strawberry
- Sprig of mint

EQUIPMENT

- Ice Scoop
- Half straw
-  Blender

TIPS

- Strawberries are seasonal. If you cannot find strawberries, garnish with mint sprigs.
- Always ensure your strawberries are washed, look fresh and have no blemishes, spots or rot.
- When starting your shift, prepare a few Half straws, so they are ready for service.
- When serving a 1L carafe, garnish the glasses that are presented with the carafe.
