Lemon & Lime Cooler

A blended frozen lemon & lime cooler with a chilli-lemon salt rim, served single or as a 1L carafe.

Carafe: 1L Carafe / Single serve: Tumbler or Water glass

INGREDIENTS

SINGLE SERVING

- 125ml Lemon & Lime Cooler (1 serving)
- 160g - 180g Ice

CARAFE

- 3 x 125ml Lemon & Lime Cooler (3 servings)
- 480g - 500g Ice

METHOD

1. Garnish the glass by gently rubbing a slice of lemon along the rim of the glass, then dip the rim into a mix of chili lemon salt.
2. Decant the Lemon & Lime into the blender.
3. Add the ice. (Pour off any excess water before adding the ice to the blender.)
4. Blend until the liquid becomes a slushy texture.
5. Decant into a Water tumbler or carafe.
6. Garnish with lemon slices.

GARNISH

- Chili lemon salt
- 1 Lemon slice

EQUIPMENT

Ice Scoop
Half straw
Blender

TIPS

- When starting your shift, prepare a few Half straws, so they are ready for service.
- When serving a 1L carafe, garnish the glasses that are presented with the carafe.
