# Pineapple Wedge

A pineapple wedge cut to sit on the side of a cocktail glass.

## INGREDIENTS

- Cocktail glass (Tumbler / Water glass)
- 1 Pineapple

## METHOD

1. Wash the pineapple carefully.
2. Slice across the pineapple, making a slice about 1cm thick.
3. Cut the slice in half, and then in half again.
4. Cut the quarter in half to make a wedge.
5. Make a small slice in the bottom of the wedge, to enable you to wedge it onto the side of the glass.
