Tropical Cooler

A blended frozen tropical cooler garnished with pineapple and lime, served single or as a 1L carafe.

Carafe: 1L Carafe / Single serve: Tumbler or Water glass

INGREDIENTS

SINGLE SERVING

- 125ml Tropical Cooler (1 serving)
- 160g - 180g Ice

CARAFE

- 3 x 125ml Tropical Cooler (3 servings)
- 480g - 500g Ice

METHOD

1. Decant the Tropical Cooler into the blender.
2. Add the ice. (Pour off any excess water before adding the ice to the blender.)
3. Blend until liquid becomes a slushy texture.
4. Decant into a Water tumbler or carafe.
5. Garnish with a lime slice.

GARNISH

- Fresh pineapple triangle
- 1 Lime slice

EQUIPMENT

- Ice Scoop
- Half straw
- Blender

TIPS

- When starting your shift, prepare a few Half straws, so they are ready for service.
- When serving a 1L carafe, garnish the glasses that are presented with the carafe.
