INGREDIENTS

- 1 can Watermelon Red Bull
- 1 x 25ml Shot Gin (Gordon's)
- 20g Strawberries, cut into cubes
- 6-8 Ice cubes, crushed in blender (approx. 130g)

METHOD

1. Crush the ice in a blender with a splash of water.
2. Fill the glass with 130g crushed ice.
3. Add the cubes of fresh strawberries to the ice.
4. Pour the shot of gin into the glass and top off with the can of Watermelon Red Bull.
5. Garnish with a lemon slice, half a strawberry and a large mint sprig.

GARNISH

- 1 Lemon slice
- Half strawberry
- 1 Large mint sprig

EQUIPMENT

Ice scoop
Half straw
Blender

TIPS

- Always weigh the ice!
- Ensure you add a bit of water to the ice when blending to assist the blender to crush the ice.
